## TESTIMONIALS

---

### 20<sup>th</sup> CENTURY

*"Traffic information provided by DLS Consulting Traffic Engineering [during the site selection process] assisted us in identifying traffic impacts and associated costs."*

Michael Belefonti  
Belefonti Associates

*"[DLS Consulting's] traffic study is a clearly written, professionally done analysis."*

Peter G. Dorpalen, Executive Director  
Council of Governments Central Naugatuck Valley

*"[DLS Consulting's] report and presentation to the Thomaston Planning and Zoning Commission was a great help in getting project approval."*

Paul Bunevich, P.E.  
Land -Data Engineers

*"Revised staging plans [prepared by DLS Consulting Traffic Engineering] assisted us in completing our project [reconstruction of I-91 in Windsor/Windsor Locks] approximately one year ahead of schedule and under budget."*

Mike Young  
George A. Tomasso Construction Corporation

*"[DLS Traffic Engineering] was able to prepare a complete State Traffic Commission Certificate Application and obtain the approved certificate in record time."*

Michael Belefonti  
Belefonti Associates

### 21<sup>st</sup> CENTURY

*"[We] have found DLS Traffic to be very detail oriented and creative at developing traffic solutions for our projects."*

Adam D. Winstanley  
Winstanley Enterprises, LLC  
winent.com

*"Since 1993, DLS Traffic has provided Anchor Engineering with responsive, accurate services at a very good value. Anchor has also collaborated with DLS Traffic with solid success founded on clear communication."*

Mark Zessin, P.E.  
Anchor Engineering Services, Inc.  
anchorengr.com

*"DLS Traffic Engineering was both convincing and accurate. DLS provided value added engineering in action; our clients were pleased that we chose DLS."*

Richard Meehan, P.L.S.  
Meehan & Goodin, Engineers - Surveyors, P.C.  
meehangoodin.com

*"DLS Traffic has provided efficient, timely services for many of our Dunkin' Donuts sites. Clear discussion of site access and drive thru queues addressed commission concerns resulting in project approvals."*

Scott Fanning  
Great American Donut, Inc.

*For more than a decade, DLS Traffic has been extremely competent and responsive in navigating regulatory hurdles especially given the tight time lines that usually arise during the process."*
